Give Meaning To Your Cleaning

HealthGuard

Fast sanitizing for high-touch environments

About this product

HealthGuard is a concentrated hospital-grade disinfectant cleaner designed for facilities that require dependable daily disinfection and rapid sanitizing of high-touch surfaces. Ideal for healthcare, senior care, educational, fitness, veterinary, and commercial environments, HealthGuard helps support consistent infection prevention practices across busy institutional facilities.

Its concentrated formula delivers one-step cleaning, sanitizing, disinfecting, and deodorizing while helping facilities reduce product waste and maintain cost-effective daily disinfection programs. With 15-second sanitizing and 5-minute disinfection claims, HealthGuard helps staff respond efficiently to routine high-touch cleaning needs.

DIN: 02505495

- 15-second sanitizing helps support rapid turnover of high-touch surfaces
- 5-minute broad-spectrum disinfection supports routine infection prevention programs
- Hospital-grade disinfectant cleaner for institutional environments
- One-step cleaning, disinfecting, sanitizing, and deodorizing simplifies daily cleaning procedures
- Concentrated formula helps reduce product waste and support cost-effective disinfection programs
- Neutral pH and low odour formula supports routine use in occupied facilities
- Broad-spectrum bactericidal, virucidal, and fungicidal efficacy for institutional hygiene programs
- Effective against mould and mildew-causing organisms in moisture-prone areas
- Food contact surface sanitization when followed by potable water rinse procedures
- Suitable for most washable hard, non-porous surfaces

Dilution rates:

Normal Cleaning, Deodorizing	1:64
Disinfection, Mildewcidal	1:64
Sanitization	1:64
Norovirus & Feline Calicivirus Disinfection	1:16

Use with:

ModularFlex System

- AirGap System (HSP3578AG)
- E-Gap System (HSP9184)
