Vangard 256

General Purpose Disinfectant

Applications:

Vangard 256 is a highly concentrated general purpose disinfectant designed for large-scale routine cleaning, odour control, disinfection, and mould and mildew control in healthcare, institutional, commercial, veterinary, laboratory, dental, and food processing environments. Its economical dilution rates make it well suited for high-volume maintenance programs that require consistent daily performance.

Dilute with potable water according to the dilution rates below. Apply using a mop, sponge, cloth, or trigger sprayer. Heavily soiled surfaces must be cleaned prior to disinfection. Thoroughly wet the surface and allow it to remain wet for 10 minutes, then remove excess liquid. To remove mould and mildew, apply the solution and allow it to dry on the treated surface. Food contact surfaces must be rinsed with potable water after treatment.

Ideal for use:

- **Healthcare & Long-Term Care Facilities:** High-volume disinfection programs, hard surfaces, washrooms, and shared spaces.
- **Laboratories, Veterinary & Dental Clinics:** Hard, non-porous surfaces where routine infection prevention is required.
- **Institutional & Commercial Facilities:** Floors, walls, washrooms, high-touch areas, and daily maintenance programs.
- **Food Processing Environments:** Hard, non-porous surfaces when followed by potable water rinse procedures.

Features and benefits:

- Highly concentrated formula helps reduce cost per use
- Economical dilution rates for large-scale cleaning programs
- 10-minute disinfection contact time
- Supports routine disinfection in healthcare, institutional, and commercial facilities
- Removes common soils including dirt, grime, blood, urine, and organic matter
- Helps control mould and mildew on treated surfaces
- Controls odours caused by microorganisms

Specifications:

Colour	Fluorescent Green
DIN	02213095
Contact Time	10 minutes
Odour	Mild
pH	7.5 - 8.0
Viscosity	Not determined
Solvent	No
Phosphates	No
WHMIS	Exempt
ECOLOGO®	No
Food Safe	Yes
Kosher	Yes
Shelf Life	Expiry Date

Codes:

Product Code: **50994** (2 L)

UPC: **0 56069 50994 7** (2 L)

Dilution Rates:

Normal Cleaning
1:256 - 1:500

Heavy Duty Cleaning
1:40 - 1:256

Disinfection, Mold & Mildew
1:256

Available Formats:

2 L

Packaging:

Bottle: 10" x 5.5" x 3.5" (25.4 x 13.97 x 8.89 cm)
4.4 lbs (1.99 kg)

Box (2 L): 10.5" x 7.25" x 5.75"
8.8 lbs (3.99 kg)
2 per case

Pallet: 80 cases per pallet
