Dear Mr. Dunlop:

RE: Defence Floor Coating

This has reference to your letter of July 21, 1987 concerning the above coating for which acceptance is requested for use in Registered Establishments.

The information provided has been reviewed with the Bureau of Chemical Safety and based on the available information, no objection will be taken to the use of the above coating in Registered Establishments providing adequate precautions are taken to ensure that any volatile constituents in the product will not contaminate the foods.

This acceptance is not to be misconstrued as an endorsement for this or similar materials and its use in Registered Establishments will depend upon its continued acceptability to all concerned.

Should any changes occur in the composition, then this acceptance shall be considered null and void.

Our inspection personnel are being advised of the above information under separate correspondence.

Yours very truly,

L.H. Williams, Chief
Plants, Equipment and
Chemical Evaluation
Meat Hygiene Division
