

The Dustbane Way

Restoration: Fire Damage

DUSTBANE
Give Meaning To Your Cleaning

Cleaning up fire damage starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation:

1

Cleaner & Degreaser: Power Kleen

Restoration after a fire can involve oily residues and grease from extinguisher foam or moisture. Power Kleen is an effective chemical that can be sprayed on most hard surfaces to remove soils quickly without leaving behind harsh fumes.

- Dilute in cold water at a rate of 1:5
- Available in 750 mL & 5 L

2

Disinfectant: UniTab

UniTab is proven effective against a number of different microorganisms that can result in mold spores in damp environments. This compact tablet is perfect in areas that require intense disinfection against bacterial growth. DIN: 02470381.

- Dilute 2 tablets per 1 L of water for disinfection.
- Dilute 1 tablet per 20 L of water for sanitizing.

3

Disinfectant & Deodorizer: Oxy-Q

A building that has experienced a fire in the vicinity can have unwanted films that produce foul smells and bacteria. Oxy-Q uses hydrogen peroxide to create a complete cleaning solution that can tackle contaminated buildup and leave behind a fresh scent. UL ECOLOGO® Certified. DIN: 02457148.

- Dilute in cold water at a rate of 1:80
- Available in 4 L.

4

DB24

An industrial wet/dry vacuum for all your heavy-duty messes. The DB24 is built with a tough tank for aggressive movements and powerful cleanup. Boasts an integrated drainpipe for efficient disposal after use. Made of up to 75% recycled plastic.

- cUL Certified
- Includes all necessary tools & accessories

5

Graffiti Remover: Doodle Buster

Effectively removes paint over spray, markers, ink and graffiti on cement, brick, metal lockers, and other hard surfaces. UL ECOLOGO® Certified.

- Available in 1 L (RTU).
