

The Dustbane Way

CLEANING AN ASSEMBLY ROOM

Cleaning an assembly room starts with a simple program. Ask us about a custom program that will meet your individual needs.
Here's our baseline recommendation.

1

Multi-Purpose Cleaner: Excelsior

Keep your surfaces clean, free of impurities and ready for assembling items. The use of Excelsior as a general purpose hard surface cleaner will minimize your chemical inventory while providing the cleaning results you strive for. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:64.
- Available in 4 L & 20 L.

4

Floor Finish: Runway

The primary function of a floor finish is to provide a durable, safe, clean, and attractive surface. With its high solid content, Runway builds the required film thickness with fewer coats to achieve the same depth of appearance as other finishes.

- Resists black heel marks, scuffing, powdering, and water damage.
- Available in 4 L & 20 L.

2

Disinfectant Wipes: Eliminate

Maintain a safe working environment by using Eliminate. This product kills germs and eliminates odours by destroying a wide range of bacteria, fungi and viruses without the harsh smell of chemicals. DIN: 02459507.

- Ready-to-use.
- 6" x 7" wipes (180 wipes per container).

3

Glass and Chrome Cleaner: Azure

Keep your windows, mirrors, chrome and stainless steel sparkling clean and streak free. APE, VOC and ammonia free. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:16.
- Available in 750 ml (RTU) & 4 L.
