CLEANING A CITY BUS: THE EXTERIOR

Cleaning a city bus begins with a simple program. Ask us about a custom program that will meet your individual needs.

Here is our baseline recommendation.

1

Pressure Wash Concentrate: Power Wash

Power Wash effectively removes road salt, road tar, bugs, bird droppings and acid rain. Power Wash does not contain any harsh chemicals and is safe to use on painted surfaces or decals. Its foaming formula allows for a prolonged dwell time to loosen dirt, grease and oil.

2
