

The Dustbane Way

CLEANING A CONSTRUCTION SITE

Cleaning a construction site starts with a simple program. Ask us about a custom program that will meet your individual needs.

Here's our baseline recommendation.

Dry Floors, Carpets & Drywall: Air Mover

The powerful airflow quickly dries floors, carpets, walls and ceilings while the durable body withstands the toughest environments.

1

General Purpose Hard Surface Cleaner: Excelsior

Excellent for floors, painted walls, woodwork, ceramic tile or metal. It offers superior cleaning efficiency therefore reducing labour. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:40.
- Available in 4 L & 20 L.

4

Industrial Degreaser: Green Klean Industrial

Premier industrial degreaser designed for heavy-duty applications. Eliminates grease, oil, and grime from machinery surfaces, industrial tools, automotive parts, floors, and even carpets.

- Dilute in cold water at a rate of 1:60
- Available in 4 L, 20 L & 210 L

2

All-Purpose Surface & Glass Cleaner: Azure

Bring the outdoors in by making your windows invisible. Azure cleans windows, chrome and surfaces effortlessly without any streaks or haze. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:10.
- Available in 750 mL (RTU) & 4 L.

5

Pressure Wash Concentrate: Power Wash

An effective cleaner & degreaser designed for the truck and transportation industry, that works quickly with minimum effort. Its foaming formula allows for a prolonged dwell time to loosen dirt, grease and oil, on trailers and other equipment.

- Dilute in cold water at a rate of 1:30 for degreasing.
- Available in 1 L RTU, 4 L, 20 L & 210 L.

3

Odour & Carpet Care: Bio-Bac II

A safe and efficient way to maintain clean, sanitary and odour free surfaces. Use on any hard surface where organic soils accumulate. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:80.
- Available in 4 L.
