

# Enviro Puck

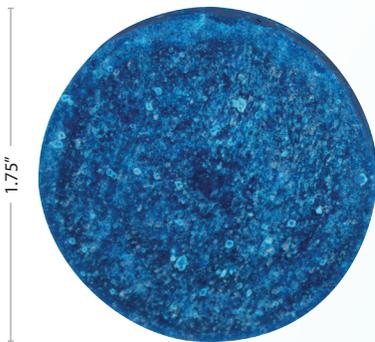

Optimal cleaning performance

## About this product

Instantly eliminates persistent odours at their source. Its beneficial bioenzymatics target odour causing stains and build-ups such as hard water scale, uric salt, and congealed solids. The block's properties are water activated and lasts for 30 days or up to 3,000 flushes. Cleans and deodorizes at every flush while leaving a pleasant fruity scent. The flexible screen keeps gum, trash, and other debris often thrown into urinals from entering the drain and causing clogs.

- Over 30 days of odour control or 3,000 flushes
- Cleans with every flush
- Water soluble
- Contains no para or acids
- Offsets the persistent scent of urine
- Non-staining
- Available with or without screen
- Biodegradable
