

3D Shield

Protection against urinal smells & splashback

About this product

The 3D Shield patented urinal screen, eliminates 99% of splashback, either side up. It has a revolutionary post and lattice design that extends through the screen and diffuses the urine stream. It releases more than twice the active ingredients as look-alike screens, keeping the urinal and restroom smelling fresh for over 30 days. The 3D Shield doesn't just mask, it releases optimized bacteria that consume odours at their source. The 3D Shield easy reminder system lets you know when it's time to replace the screen. Simply remove the tabs upon installation to set your replacement date.

- Over 30 days of odour control
- Releases more than twice the fragrance than other urinal screens
- Installation takes only seconds
- Installs both ways to eliminate installation errors
- Improved formula offers a better performance curve
- Eliminates 99% splashback
- VOC compliant
- 100% recyclable
- Releases billions of bacteria that consume malodours
- Reminder date tabs eliminates the guesswork of replacing
- Works well in both conventional and waterless urinals

Fragrance	Colour
Herbal Mint	
Fabulous	
Mango	
Spiced Apple	
Cucumber Melon	
Fragrance Free	

3D SHIELD

Has more open design, increased height, and does not splash.

COMPETITOR SCREENS

With fewer openings, they pool liquid, causing splashback and more cleanup.
