

## Degreaser

### Cleaning Degreaser

### About this product

Degreaser is a ready-to-use cleaner that quickly cuts through oils, grease, and grime. Low odor, low VOC, and free of harsh chemicals, it's safe on metal, plastic, painted surfaces, and tools. Fast, effective, and safe perfect for keeping your workspace clean and hygienic, with a fresh orange scent.

- **Rapid Cleaning Action:** Effectively cuts through grease and oil to save time and effort.
- **Low Odour, Improved Safety:** Free from APEs and butyl glycol for a safer working environment, with a fresh orange scent.
- **Surface Versatility:** Safe and effective on metals, plastics, painted surfaces, and tools.
- **Environmentally Conscious:** PFAS-free and solvent-free to minimize environmental impact.
- **Heavy-Duty Performance:** Designed for demanding cleaning tasks in workshops, service areas, and manufacturing settings.

### Suitable for

Automotive repair shops, service bays, manufacturing facilities, kitchens, food trucks, and other areas prone to grease.
