

Hand Soap

Pink Lotion Soap

About this product

Hand Soap is a simple, ready-to-use liquid soap that cleans hands thoroughly while caring for the skin. Producing rich lather in both hard and soft water, it effectively removes dirt and impurities, leaving hands soft, smooth, and lightly scented with sweet cherry. Compatible with open-top dispensers, this convenient and economical formula makes hand washing simple, pleasant, and gentle for everyday use.

Key Benefits

- Produces abundant, rich lather in both hard and soft water.
- Lightly scented with sweet cherry for a pleasant hand-washing experience.
- Moisturizes and softens hands while effectively cleaning.
- Leaves skin feeling soft, smooth, and refreshed.
- Compatible with open-top dispensers for easy use.

Uses

- Ideal for everyday hand washing at home, office, or commercial spaces.
- Suitable for frequent use without drying out the skin.
- Perfect for open-top dispenser systems in kitchens, bathrooms, and public areas.

The Importance of Hand Washing

Hand washing helps prevent the spread of germs and remove dirt and bacteria that can cause illness. Regular hand hygiene supports a healthier environment and encourages clean, refreshed hands throughout the day.
