

Restroom Cleaner

Advanced clinging formula for effortless cleaning

About this product

Restroom Cleaner is a simple, ready-to-use product that cleans, descales, and deodorizes. This acid-replacement formula delivers excellent performance while reducing the need for heavy scrubbing. Its clinging action allows it to work effectively on vertical surfaces, quickly dissolving scale, hard water buildup, rust, and salt deposits. It deodorizes surfaces and leaves a fresh, clean scent. Ideal for use on toilets, urinals, sinks, bathtubs, faucets, chrome, stainless steel, showers, ceramic surfaces, and more, Restroom Cleaner provides a complete solution for washroom maintenance.

- Ready-to-use – no mixing required
- Clings on surfaces, allowing for longer contact time
- Does not contain bleach/phosphates and is non-abrasive
- Breaks-down proteins and stains that are common to restroom environments
- Safe for most hard surfaces
- Cleans while eliminating offensive restroom odours
- Improves restroom surface cleaning process
- Pleasant, Clean floral scent
- Will not harm plumbing or septic tank systems

Why clinging products are more effective?

This ready-to-use clinging cleaner features a thick, viscous consistency that adheres easily to vertical surfaces such as toilet bowls and urinals. Its extended contact time allows scale and soap scum to interact longer with active ingredients, making buildup easier to remove while reducing manual scrubbing effort.
