

M13 Neutral Floor Cleaner

General Purpose Hard Surface Cleaner

For use with the ModularFlex System

About this product

M13 Neutral Floor Cleaner is a highly concentrated, general-purpose solution formulated for daily cleaning and floor care. Safe on all hard, washable surfaces, floors, chrome appliances and fixtures. Its formula offers a better stability in hard water with a superior performance curve therefore reducing labour. M13 works with the Purple Eco Easy Fill station for optimal dilution and usage control.

Versatile Daily Cleaning

- Safe on All Hard Surfaces: Use on sealed floors, tile, vinyl, fixtures, and equipment.
- No-Rinse Formula: Saves time while leaving surfaces streak-free.

Efficient & Effective

- Highly Concentrated: Powerful cleaning at lower dilution ratios.
- Compatible with All Tools: Apply via mop, autoscrubber, cloth, or spray bottle.
- Hard Water Performance: Maintains cleaning power even in mineral-rich environments.

Smart & Sustainable

- ModularFlex Integration: Use with the Purple Eco Easy Fill system for precise, safe dispensing.
- Flexible Dilution Options: Adapts to a wide range of cleaning tasks and facility needs

Dilution rates:	
Heavy Duty Cleaning	1:256
Normal Cleaning	1:500
Light Duty Cleaning	1:750

Daily floor cleaning made easy!
