

# Pinosan

A disinfection that smells so fresh!

## About this product

Pinosan allows you to meet sanitation guidelines in hospitals and food industry sectors without the harsh smell of chemicals. It offers a powerful cleaning, deodorizing and disinfecting performance in one convenient step. By harnessing the power of pine oil, Pinosan can effectively remove dirt, grease, and grime from a variety of non-porous surfaces. Its neutral quat formula has a broad spectrum of efficacy against bacteria, fungi, and viruses. Great for use in hospitals, schools, daycares, nursing homes, restaurants, or anywhere disinfection is needed.

**DIN: 02213133**
