

Aquascent RTU

Water Soluble Deodorizer

Applications:

Ready to use water soluble deodorizer that can be used both as an air freshener or as an additive in your cleaning solution. Aquascent RTU is your ideal choice to eliminate chemical smells commonly found in cleaning solutions. Spray Aquascent upwards in the center of the room with a slow sweeping motion, focusing on corners and areas prone to odours. Reapply as necessary to maintain a fresh scent.

Ideal for use on:

- **Offices:** Combats stale air, food odours, and mustiness in closed spaces.
- **Healthcare Facilities:** Neutralizes medicinal and disinfectant odours for a comforting environment.
- **Hospitality Venues:** Eliminates cooking smells, smoke, and musty odours in hotels and restaurants.
- **Educational Institutions:** Addresses odours from gyms, cafeterias, and classrooms.
- **Retail Spaces:** Removes odours from changing rooms, stockrooms, and food courts.
- **Fitness Centers:** Tackles sweat and body odours in gyms and locker rooms.
- **Public Restrooms:** Eliminates unpleasant odours, maintaining hygiene and comfort.
- **Transportation Hubs:** Freshens areas in airports, bus stations, and train stations, removing travel odours.
