

## Degreaser

### Cleaning Degreaser

#### Applications:

Degreaser is a ready-to-use, water-based cleaner and degreaser for industrial, institutional, and commercial use. It quickly breaks down petroleum, plant, and animal-based grease on metal, plastic, painted surfaces, tools, and other hard surfaces. Apply with a mop, auto-scrubber, trigger sprayer, sponge, or cloth, allowing adequate dwell time for tough grime. Low-odor, low-VOC, and free of harsh chemicals, it leaves surfaces clean, hygienic, and with a fresh orange scent.

#### Ideal for use on:

- **Automotive Repair Shops & Mechanics:** Cleans tools, engines, and service bay floors.
- **Service Bays:** Removes oil, grease, and grime for a safer, more efficient work area.
- **Manufacturing Facilities:** Maintains machinery and production surfaces free of build-up.

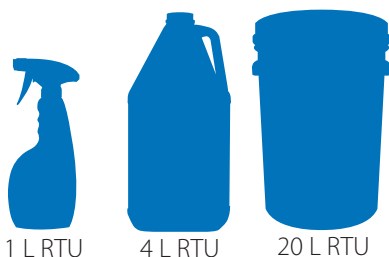

#### Benefits:

- **Powerful Cleaning:** Quickly cuts through petroleum, plant, and animal-based grease and grime.
- **Multi-Surface Safe:** Effective on metal, plastic, painted surfaces, tools, and other hard surfaces.
- **Ready-to-Use & Convenient:** No mixing required; apply with mop, sponge, cloth, or trigger sprayer.
- **Safe & Environmentally Responsible:** Low-odor, low-VOC, PFAS-free, solvent-free, and free of APEs and butyl glycol.
- **Fresh Orange Scent:** Leaves cleaned areas smelling pleasant and hygienic.
