

Hydrofect EHP

Hard Surface Disinfectant

Applications:

Hydrofect EHP is a concentrated hydrogen peroxide-based disinfectant cleaner formulated for use in healthcare, long-term care, veterinary, institutional, and commercial environments. When diluted at 1:32, it delivers broad-spectrum disinfection, virucidal, bactericidal, fungicidal, and sanitizing performance on hard, non-porous surfaces, with spot sanitization on soft surfaces. Designed for high-paced environments, it cleans, disinfects, sanitizes, and deodorizes in one step while providing fast contact times for key pathogens. Suitable for routine daily cleaning programs when used as directed.

Ideal for use on:

- **Hospitals & Long-Term Care Facilities:** Patient rooms, high-touch surfaces, equipment exteriors, washrooms, and common areas.
- **Veterinary Clinics & Animal Care Facilities:** Treatment areas, kennels, exam tables, and non-porous environmental surfaces.
- **Schools & Childcare Facilities:** Classrooms, desks, washrooms, and high-contact surfaces (rinse child-contact surfaces after use).
- **Institutional & General Commercial Spaces:** Hard, non-porous surfaces requiring routine cleaning and disinfection.

Features and benefits:

- 1-minute virucidal efficacy against key pathogens
- Hydrogen peroxide-based formula
- Supports safer daily cleaning in occupied spaces

Available Format:

2 L

4 L

Packaging:

Bottle: 5.8" x 5.8" x 12.3" (14.7 x 14.7 x 31 cm)
9 lbs (4.1 kg)
Box (4 L): 11.6" x 11.6" x 12.9"
40 lbs (18 kg)
4 per case
Pallet: 48 cases (4L) per pallet

Dilution Rates:

Disinfection (See Claims Sheet for full kill claims)

1:32

Specifications:

Colour	Pale, Yellow
DIN	60000010
Odour	Acetic
pH	2.70
Viscosity	17.55 CST
Solvent	No
Phosphates	No
WHMIS	Yes
ECOLOGO	No
Food Safe	Yes
Kosher	Yes
Shelf Life	10 months
