

Oxy-Q

Hydrogen Peroxide-Based Disinfectant

Applications:

Oxy-Q is a concentrated hydrogen peroxide-based disinfectant designed for facility-wide cleaning and disinfection programs. It can be used for hard surface cleaning, floor care, carpet extraction, glass cleaning, washroom sanitation, degreasing, deodorizing, and daily disinfection across institutional, commercial, educational, and industrial environments.

Pre-clean heavily soiled surfaces before using Oxy-Q. Dilute with unheated tap water according to the dilution rates below. Apply the solution with a sponge, mop, or cloth. For disinfection, allow the surface to remain wet for 10 minutes. Food contact surfaces must be rinsed with potable water after treatment.

Ideal for use:

- **Commercial & Institutional Facilities:** Hard surfaces, floors, washrooms, common areas, and high-touch surfaces.
- **Educational Facilities:** Classrooms, washrooms, hallways, floors, and shared spaces.
- **Industrial Facilities:** Washable hard surfaces, maintenance areas, floor care, and general facility cleaning.
- **Food Plant & Other Industrial Use:** Food contact surfaces when followed by potable water rinse procedures.

Features and benefits:

- Hydrogen peroxide-based formula
- Facility-wide option for hard surfaces, floors, carpets, glass, washrooms, deodorizing, and disinfection
- Helps reduce the number of specialty products needed across a facility
- Leaves minimal residue after cleaning
- ECOLOGO Certified UL 2794 - Supports sustainable cleaning programs
- Concentrated formula helps support efficient inventory and storage management

Specifications:

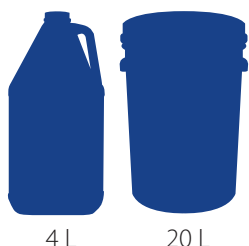

Colour	Colourless
DIN	02457148
Contact Time	10 minutes
Odour	Low
pH	4.0 - 5.0
Viscosity	Not determined
Solvent	No
Phosphates	No
WHMIS	Exempt
ECOLOGO®	Yes
Food Safe	Yes
Kosher	Yes
Shelf Life	Expiry date

Codes:
