

Quat Plus

Liquid Disinfectant

Applications:

Quat Plus is an all purpose disinfectant cleaner for washable hard surfaces in commercial and institutional facilities. Its low-odour, surface-safe formula helps support daily maintenance programs in offices, schools, gyms, washrooms, public buildings, food-service areas, and other high-traffic spaces.

Dilute with potable water according to the dilution rates below. Apply using a mop, sponge, cloth, trigger sprayer, or auto-scrubber. For disinfection, remove visible soil before application, thoroughly wet the surface, allow it to remain wet for 10 minutes, then remove excess liquid. Rinse food contact surfaces with potable water after use.

Ideal for use:

- **Commercial & Institutional Facilities:** Offices, public buildings, washrooms, common areas, and high-touch surfaces.
- **Schools & Recreation Facilities:** Classrooms, gyms, locker rooms, fitness areas, and shared spaces.
- **Food-Service Areas:** Washable hard surfaces and food contact surfaces when followed by potable water rinse.
- **Watercraft & Recreational Programs:** Shared watercraft, equipment, and facility surfaces as part of cleaning protocols designed to help reduce the spread of aquatic invasive species.

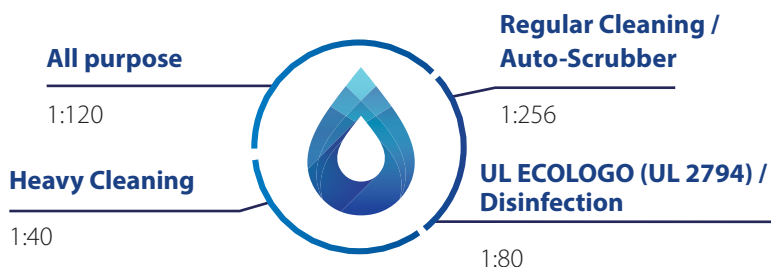

Features and benefits:

- Concentrated formula helps reduce cost-in-use
- Neutral disinfectant cleaner and germicidal detergent
- Low-odour formula supports daily cleaning in occupied spaces
- ECOLOGO Certified UL 2794
- Food contact surface compatible when followed by potable water rinse

Specifications:

Colour	Colourless
DIN	02298694
