

Triple Action

Cleaner, Degreaser and Disinfectant

Applications:

Triple Action is a concentrated cleaner, degreaser, and disinfectant designed for industrial, food-processing, and heavy-duty commercial environments. It removes tough grease and soils while providing dependable disinfection for production floors, equipment exteriors, kitchens, maintenance areas, and other washable hard surfaces.

Dilute with potable water according to the dilution rates below. Apply using an auto-scrubber, mop, sponge, cloth, trigger sprayer, or pressure washer. For disinfection, heavily soiled surfaces must be cleaned prior to disinfection. Thoroughly wet the surface, allow it to remain wet for 10 minutes, then remove excess liquid. Food contact surfaces must be rinsed with potable water after treatment.

Ideal for use:

- **Industrial Facilities:** Production floors, maintenance zones, washable hard surfaces, and industrial work areas.
- **Food-Processing Facilities:** Food plant surfaces, processing areas, equipment exteriors, and sanitation programs.
- **Commercial Kitchens:** Degreasing and disinfection of washable hard surfaces in demanding kitchen environments.
- **Heavy-Duty Commercial Spaces:** Garages, service areas, back-of-house spaces, and other areas exposed to grease, oils, and stubborn soils.

Features and benefits:

- Cleaner, degreaser, and disinfectant in one product
- Strong degreasing performance for grease, oils, and stubborn soils
- Non-butyl formula helps reduce harsh solvent odours during heavy-duty cleaning tasks
- Flexible dilution ratios support light-duty to heavy-duty cleaning applications
- Food contact surface compatible when followed by potable water rinse

Specifications:

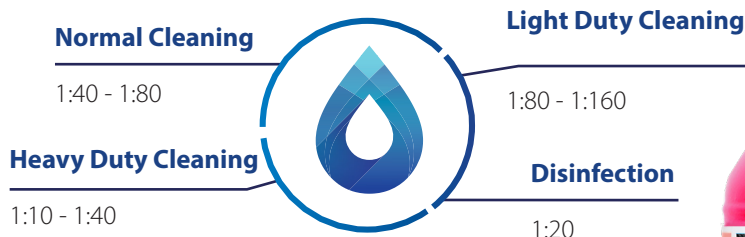

Colour	Pink
DIN	02322110
Contact Time	10 minutes
Odour	Citrus
pH	12.0 - 12.5
Viscosity	Not determined
Solvent	No
Phosphates	No
WHMIS	No
ECOLOGO®	No
Food Safe	Yes
Kosher	Yes
Shelf Life	3 years
