

Vanguard RTU

Ready-to-Use Disinfectant

Applications:

Vanguard RTU is a ready-to-use disinfectant designed for routine cleaning, odour control, and disinfection on hard, non-porous surfaces. Its pre-diluted format helps reduce preparation time, eliminate dilution errors, and support consistent results in commercial, institutional, recreational, retail, and healthcare-adjacent environments.

Apply directly to hard, non-porous surfaces such as counters, floors, walls, washrooms, and other high-touch areas. Wipe surface using a sponge or cloth. Heavily soiled surfaces must be cleaned prior to disinfection. Thoroughly wet the surface and allow it to remain wet for 10 minutes, then remove excess liquid. Rinse food contact surfaces and child-contact surfaces with potable water after treatment.

Ideal for use:

- **Point-of-Use Disinfection:** Spray bottle use, refill programs, and daily high-touch surface disinfection.
- **Commercial & Retail Spaces:** Counters, floors, walls, washrooms, and shared surfaces.
- **Recreational & Fitness Facilities:** Change rooms, washrooms, equipment-adjacent surfaces, and common areas.
- **Healthcare-Adjacent & Institutional Spaces:** Clinics, offices, public facilities, and areas where ready-to-use consistency is important.

Features and benefits:

- Ready-to-use format eliminates mixing and measuring
- Helps reduce dilution errors across daily cleaning tasks
- Pre-diluted for consistent results at the point of use
- 10-minute disinfection contact time
- Helps control mould and mildew growth on treated surfaces
- Neutral pH for routine use on hard, non-porous surfaces
- Food contact surface compatible when followed by potable water rinse
- Available in 1 L and 4 L formats for spray bottle use and refill programs

Available Formats:

1 L

4 L

Packaging:

Bottle (1 L): 3.5" x 3.5" x 11" (9 x 9 x 28 cm)
2.5 lbs (1 kg)

Bottle (4 L): 5.8" x 5.8" x 12.3" (14.7 x 14.7 x 31 cm)
10 lbs (4.5 kg)

Box (1 L): 11.5" x 14" x 10.5"
30 lbs (13.6 kg)
12 per case

Box (4 L): 11.6" x 11.6" x 12.9"
40 lbs (18 kg)
4 per case

Specifications:

Colour	Pale yellow
DIN	02504731
Contact Time	10 minutes
Odour	Lemon
Prepared Solution of	1:80
pH	7.5–8.0
Viscosity	Not determined
Solvent	No
Phosphates	No
WHMIS	Exempt
ECOLOGO®	No
Food Safe	Yes
Kosher	Yes
Shelf Life	Expiry date
