

Clean

SMART . SAFE . SIMPLE .

SLIPS AND FALLS ARE THE LEADING CAUSE OF WORKPLACE INJURIES

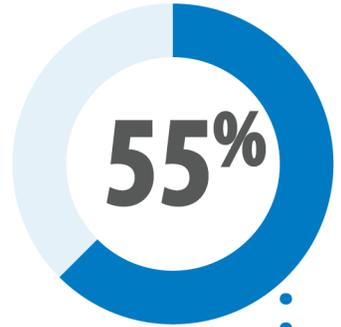

< **42,000** >

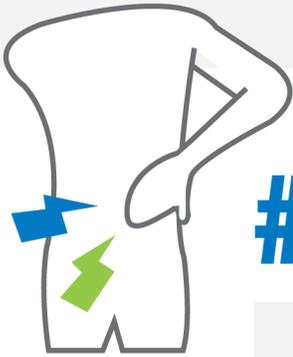

workers injured in Canada annually due to slip & fall accidents

LAWSUITS for such injuries can cost **HUNDREDS OF THOUSANDS OF DOLLARS**

Slip and fall accidents are caused by hazardous walking surfaces

mopping is the **#1** cause of repetitive motion injuries

it can lead to **back pain, carpal tunnel, tendonitis** and **bursitis**
DECREASED PRODUCTIVITY

18 lost working days per injury

percentage of business' maintenance cost that are allocated to labour

1 person can tackle the task of cleaning the floors instead of 3-4 staff members

REDUCING YOUR LABOUR COST can be your **LARGEST SAVINGS OPPORTUNITY**

QUICK RETURN ON INVESTMENT

Auto-scrubbers pay for themselves in a matter of months

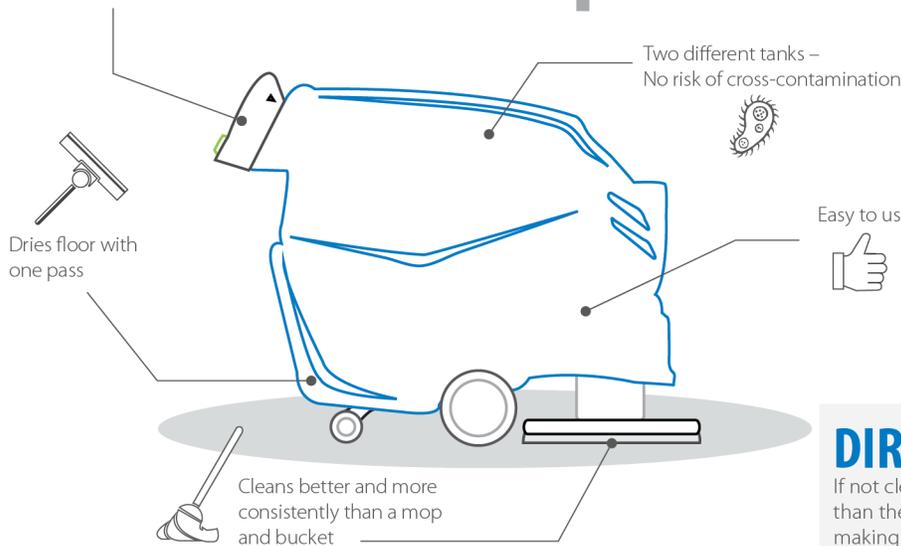

Increase your productivity

A 50,000 FT² SPACE

35% **95%**

of dirt on the floor

DIRTY MOP = DIRTY FLOOR

If not clean, a mop **will smell** and leave floors **dirtier** than they were. They can **leave streaks & can spread dirt...** making a larger mess than when you started
