

# ModularFlex Cleaning Chart

The ModularFlex System is complete customizable to your specific needs. Up to 4 products can be used at once. Here are your options:

## IMPORTANT:

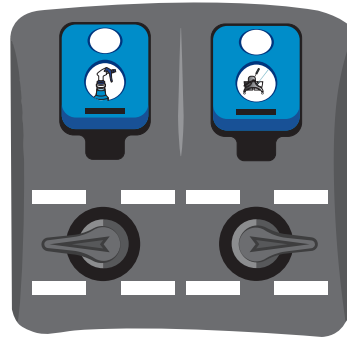

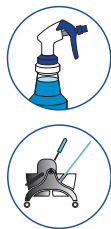

Use and wear protective equipment or clothing required by the employer. The use of protective gloves and safety glasses is highly recommended.

Refer to product label and SDS before use. For complete product information, please consult **www.dustbane.ca**.

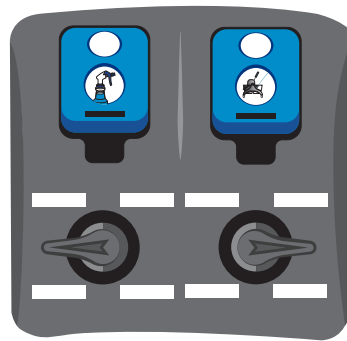

## M1 RESTROOM CLEANER Emulsifying Cleaner

For use on sinks, toilets, chrome and other hard surfaces.

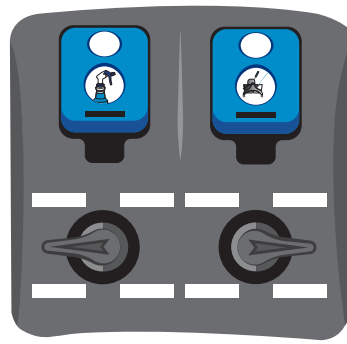

## M6 OXY-Q Hydrogen Peroxide Based Disinfectant

Spray and wipe cleaner for surfaces that require disinfection. For use in auto-scrubber or carpet extractors.

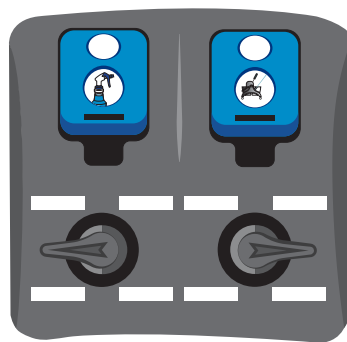

## M7 NEUTRAL CLEANER Neutral Detergent & Ice Melt Remover

For use with mop and bucket or auto-scrubber. Spray and wipe cleaner for surfaces that need general cleaning.

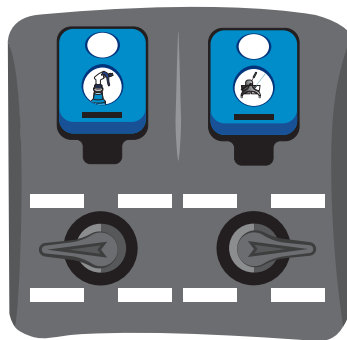

## M8 GLASS CLEANER Surface & Glass Cleaner

For use on mirrors, glass, porcelain, chrome, and counters.

## M10 ODOUR CONTROL Malodour Counteractant

For use in cleaning solutions to eliminate chemical smells or to eliminate malodours. Use in a spray bottle as an air freshener.

## M11 DEGREASER Hard Surface Cleaner & Degreaser

Spray and wipe cleaner and degreaser. For use on desks, tables, walls, counters, and any surface not harmed by water.
